

NEW ZEALAND FINANCIAL PLANNING

Helping you make smart choices with your money

Craig Dealey

BCom — General Manager

Craig is General Manager of New Zealand Financial Planning and is also a Principal in the company. He is not an adviser, but instead focuses much of his attention on the legal, technical and systems side of the business.

Craig is married and has two daughters. Family life is very important to Craig and he enjoys time outdoors, gardening, tramping, camping, swimming or cycling with his three ladies. The outdoor lifestyle, and the promise of a safer environment for his family were the strongest motivators for relocating from South Africa to New Zealand in 2002, which is when he joined the NZFP team.

Prior to that, he was a manager in the Financial Planning Development and Accreditation division of the Liberty Group in Johannesburg. Craig enjoys being part of the team at NZFP and feels that the company's high standards and strong client focus are a good fit with his own personal values.
